

**CRIC**

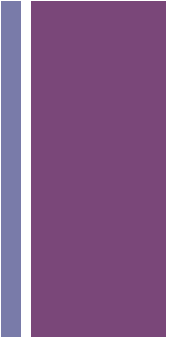

Commonage Road Improvement Committee

# COMMONAGE ROAD IMPROVEMENT COMMITTEE

# + CRIC Committee Members

- Jane Toppozini
- Kathy Coverly
- Gord Ball
- Morgan Grant

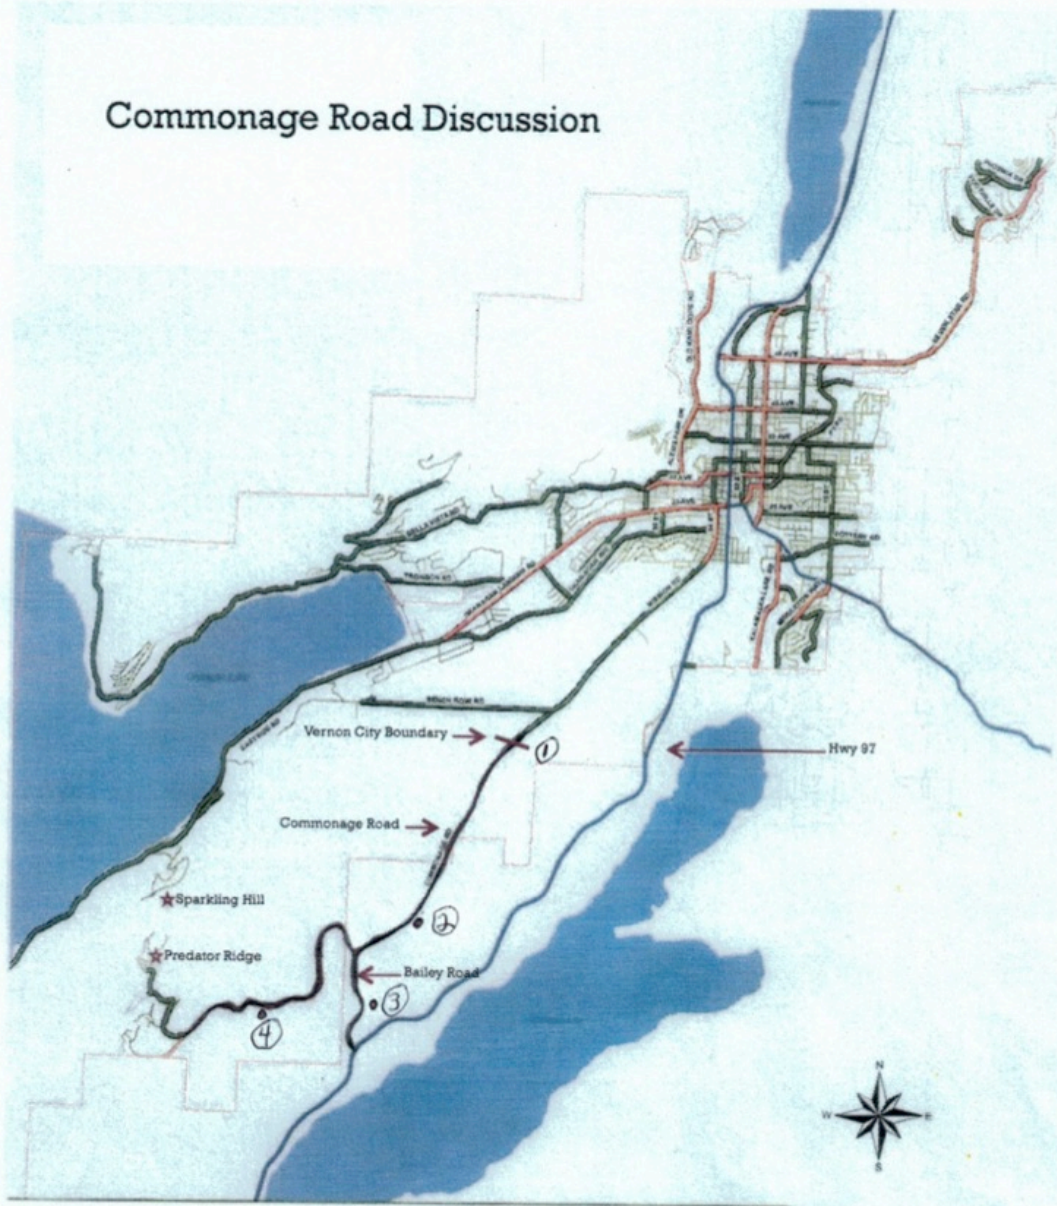

# + Objective

- Improve the overall safety and maintenance of Commonage and Bailey Roads, with upgrades focused specifically on each road section's needs.
- *Sections:*
  1. *Commonage Road (start from Vernon City Limits/Bench Row Road) to the Compost Station.*
  2. *Compost Station to Junction of Commonage and Bailey Roads (JCB).*
  3. *Bailey Road*
  4. *Junction of JCB to Predator*

# Commonage Road Discussion

# + Our Goals

## 1. **Improve Road *Maintenance*:**

- A. Reclassify to winter road Classification B
- B. Upgrade summer road classification - summer traffic count (5000 cars)
- C. Summer maintenance schedule to fix potholes and degraded shoulders

## 3. **Improve Road *Visibility*:**

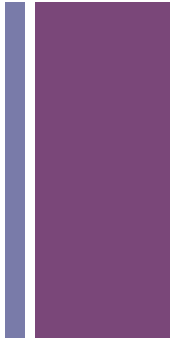

- A. Road lines are adequately painted and maintained. (white & yellow)
- B. Delineators are installed on corners and drop offs
- C. Research the possibility of installing lights on select hydro pole

## 4. **Improve Driver *Awareness***

- A. Addition of new road signs
- B. Installation of center line rumble strips

## 5. **Improve Road *Condition*:**

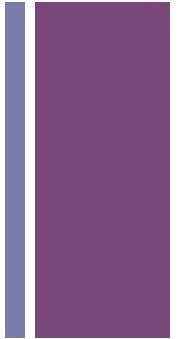

- A. Lobby MTI to pave the road shoulders from the Junction of Commonage and Bailey Roads to Predator Ridge.
- B. Petition the City of Vernon and other Interest Groups to show support for the request to pave the road shoulders.
