Predator Ridge Community Safety...is our number one priority

The committee is currently looking for volunteers to assist with the clean-up event and welcomes all helping hands. Our collective efforts will help make our community a safer place to live.

Water and snacks will be provided, as well as safety glasses, hi-vis vests and gloves, should you require them. Volunteers should be prepared for sloping and uneven ground, and appropriate footwear should be worn.

A safety orientation will be held at the dog park entrance at 8:45 am before the clean-up event begins. We hope to see you there for a fun morning of FireSmart!

The PRCS FireSmart Coordinator will be on hand to answer questions and will be providing a Hot Dog & Hamburger BBQ starting at 12:30 pm for all our hungry volunteers.
